

DISCOVER R8C MUSEUM DELIVERY

Customers can take delivery of their new Corvette at the National Corvette Museum. NCM Delivery is referred to as option "R8C" and is available through any Chevrolet Dealer at a cost of \$1,495. It must be specified at the time the order is finalized and a special Ship Code of "184590" must also be used to identify the customer's Corvette for the Museum Delivery. Customers must arrive for delivery with the following: proof of ownership, proof of insurance, valid operator's license and temporary tag/license plate.

R8C customers are welcomed to the NCM with signs commemorating the event and greeted by a Delivery Team member. Additional benefits include:

- ▶ Guided tour of the Corvette Assembly Plant (when available) for customer and 3 guests (13 and up)
- ▶ Guided tour of the NCM where the new owner will see their Corvette on display
- ▶ Quality, detailed orientation of the car by Delivery Team host
- ▶ Celebratory drive out of the Museum
- ▶ Unique gold R8C decal placed on the inside of the driver's door jamb
- ▶ Custom interior plaque
- ▶ Individual one-year NCM membership
- ▶ Commemorative wall plaque with nameplate (customer's name, date of delivery, VIN)
- ▶ Opportunity to purchase exclusive apparel, bricks and build sheet
- ▶ Delivery can be viewed world-wide via our live webcams
- ▶ Photos of the customer with the car (shared via email)

R8C customers have the opportunity to get on track by purchasing touring laps at a discounted rate in one of OUR C8 Corvette Stingrays at the NCM Motorsports Park. (Laps are not available while the track is in use during an event. Track availability is also dependent on weather.) If the customer is unable to participate on the day of delivery, they can obtain a voucher that would be redeemable on a future visit.

If the customer is planning on sharing this experience with a young child or grandchild (16 and under), our Glazer Family Delivery complimentary add-on can enhance the experience even more. This program offers some additional features for the child which include a unique sign and mat identifying it as a family delivery, complimentary t-shirt, matching wall plaque to commemorate family delivery and photos of the family with the car.
